Dear Preschool Families:

We have had a very smooth and successful start to the new school year! Beginning the school year can be a very stressful time for parents, children, and staff. However, the children are always the first to adjust! They are all settling into the routine sooner than I expected. The teachers and I are very proud of them.

You will receive a newsletter and calendar similar to this one each month of the school year. It will contain information for the upcoming month and important reminders. Attached is a calendar to outline due dates for tuition, special events, and school closings. Also, the calendar will list the weekly Bible stories and monthly Bible verse along with the letters, numbers, colors, and shapes that we will focus on that month.

SPECIAL EVENTS

We will be celebrating the harvest season with class parties and a pumpkin patch on October 28th and 29th. We plan to have a special chapel service at 10:30 a.m. outdoors and then the pumpkin patch will follow on the back lawn behind the church. Your child will get to pick their own pumpkin. The teachers will notify you in the weekly newsletter of party supplies needed and what to send. Your child's health and safety is our top priority here in the CDC. Parents may join us outdoors. In the event of rain we will be indoors and due to crowded spaces we will not be able to invite Parents.

MISCELLANEOUS

Our Child Development Center is an extension of the ministry of Fern Creek Baptist Church. We are honored that you have chosen us to help teach your children. We are not just a preschool; we are a family and community of Christians, and we want you and your children to feel welcome and cared for.

If you are seeking a church family, or just don't understand the whole "church thing", we invite you to come and see what we are all about. Fern Creek Baptist Church offers service each Sunday at 10:45 a.m. Sunday school is 9:30 a.m. and is available for all ages. Please feel free to join us anytime!

In Christ's Love,
Ms. Terri
